<b>Label Copy Worksheet</b>
<p>Step 1: Review the text plan for your exhibit. Step 2: As a team, write a title for each text panel. This header could be the focus question, a variation of the focus question, or a phrase that captures the main point of the exhibit component. Use a separate worksheet for each header. Step 3: Draft the label copy for which you are responsible. Step 4: Share your draft with teammates and make adjustments based on their feedback.</p> <p><b>Exhibit:</b> _____ <b>Component:</b> _____</p>
