

## Full School Museum Tour Worksheet

Complete the following outline for each exhibit in the school museum. Your notes will provide a useful guide when touring visitors through the full museum.

Practice your tour script with a friend first so that you can polish your presentation before touring your first museum visitor!

### FOCUS QUESTION #1:

Write a short answer the focus question in your own words:

Select ONE object or image to focus your comments to visitors. Connect your comments to the focus question.

Briefly point out TWO more components of the exhibit. (Visitors may come back later to explore on their own.)

THINK ABOUT a question a visitor might ask at this exhibit. How would you answer that question?
